

Enjoying Walks on the Lead

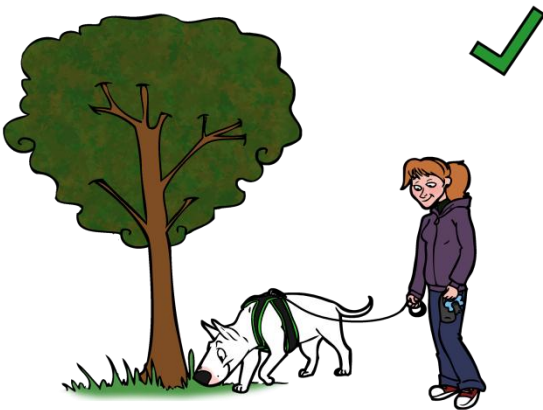

Here are some easy to follow tips for enjoying a loose lead walk with your dog, particularly if your dog is easily frustrated or excited.

Allow your dog to have fun on walks and praise them when they get it right. Walking on a loose lead for example

Dogs do sometimes sense our stress don't try to hide it as it could make things worse. Slow down then if still in doubt move away

Slow down let your dog explore the surroundings this lessens frustration and keeps you both happy

Pay attention to your dog it could prevent unwanted behaviours and situations!
